

POLAR BEAR TUNDRA TOUR

WHY NOT TRY SOMETHING COMPLETELY DIFFERENT?

Experience a one-day jet excursion from Calgary, Edmonton or Saskatoon to Polar Bear country in Churchill, Manitoba. Witness the Polar Bears in their natural environment as they migrate toward the coast in anticipation of freeze-up and to access their favourite meal - ring seals.

A Tundra Buggy will transfer you across the terrain, to view the Polar Bears in a comfortable and safe manner.

Save \$50
when you book
by June 1/10!
